# THE MARRIAGE SHOP

They say, “Marriage is Work!” But where did they put the **Operating Instructions** or, better yet, the **Repair Manual**?

Since 2018, The Marriage Shop has created a space for genuine sharing, discovery, and transformation. No matter the condition of your marriage, you will find what you need—from Polish & Detailing and Routine Maintenance, to Nicks & Dents and Total Overhaul. What feels like a total loss can be your most valuable treasure.

Rooted in Biblical truth for marriages, Mike and Wendy Perry bring a natural, vulnerable, and effortless breath of fresh air to topics that cover all aspects of married life.

## Past Topics Include...

Control & Chaos	Trust
Forgiveness	Sacrifice
Devices & Division	Keepin’ it Hot!
Toothpaste & TP	Intimacy
Xtra-Marital Affairs	Communication
